About Spraytek Resurfacing

Spraytek Resurfacing is based in Victor Harbor, South Australia and is operated by Sean Melia who has more than 30 years' experience in the painting and decorating trade. He believes strongly in his motto that quality comes first.

A hands-on owner, Sean, works closely with customers to ensure they get the job they require and within realistic timeframes and budgets.

Spraytek Resurfacing is a division of Prestige Painting Company which has been providing resurfacing services for bathrooms, kitchens and laundries for several years. Resurfacing, respraying or renovating cupboards, baths, sinks, walls and floors is becoming increasingly popular due to its cost effectiveness, hence the creation of a separate division.

Spraytek Resurfacing's team pride themselves on treating their customers and their properties with respect always leaving the site clean, working promptly and efficiently. You won't be bothered by loud radios, smoking or foul language from the Spraytek Resurfacing team.

Bathroom transformations

Replacing baths, vanities and toilets can be expensive messy and time consuming, but it doesn't have to be.

We can resurface your:

- Bath • Vanity • Spa • Shower
- Toilet • Benchtop • Wall Tiles
- Floor Tiles • Cupboards

for up to 75% cheaper than replacement.

A range of textures and colours are available.

And ... we can even paint the rest of your bathroom too.

Resurfacing vs Replacement

Resurfacing gives you the chance to change the colour, fix chips, stains, cracks and scratches without needing to use heavy equipment, break seals or create substantial mess.

- Resurfacing costs up to 75% less than replacement of your bath, benchtops, tiles and vanity units
- The job can be done much quicker with less down time
- No heavy, noisy equipment is required
- Less mess and wastage
- Our work is guaranteed
- You can choose from a wide range of colours & surfaces
- No need to change the layout

Kitchen transformations

We can update your kitchen quickly and more cost effectively than a full kitchen rebuild.

Let us resurface your:

- Benchtops • Wall & Bench Tiles
- Splashbacks • Cupboards

for a fraction of the cost of replacement and with less disruption to your household.

A range of textures and colours are available.

And ... we can even paint the rest of your kitchen too if required.
